HISTORIC HOBSON HOUSE

November 15, 1992

To the members of Alpha Phi Omega,
Thank you so much for your hard
work the last two Saturdays. The
yard looks great!

Due to our small staff, we could
have never gotten the raking done
around the house. Thus, your volun-
-teer service is greatly appreciated. Even
visitors to the house have noticed how
nice the yard looks.

Thank you again!

Sincerely,

Sheryl Reek

Dear Members of Alpha Phi Omega:

I want to personally thank you for your check of \$88.00 you sent for the victims of Hurricane Andrew. The money will be forwarded to the ARC National Disaster Relief Fund where it will be used to best help the victims.

I saw the car wash at Super America. It really made me feel good to see so many people helping others in need. You have our deepest gratitude. Thank you very much.

December 7, 1992

Dear *Leslie and Chris,*

Thank you for your work to make Historic Riverview's Victorian Candlelight Tours and Holiday School Tours such a success. Many repeat visitors have commented that the house has never been more beautifully decorated nor the tour more enjoyable. This certainly would not be possible without the time, talents and dedication of our volunteers. You have made a difference and it shows!

On behalf of the Hobson House Association and the Hobson House Commission, I wish you a wonderful holiday season as we prepare to make 1993 another banner year at Riverview.

Sincerely,

Officer Reports

Fellowship

Hello, my good fellows. I'm feeling a bit saucy this semester. Christy Elmore is my chairman and we have great things in store for you. If you are interested in being one of us, we're looking for a few great cats.

Coming up:

Camping trip, Halloween party, and a possible Chattanooga Aquarium road trip.

Kristi Krawchuk

Hey Xi Psi Members!

As you know, I will be the "bad guy" in Xi Psi this semester. I'm the one who takes your hard-earned money! Well, guys, if it wasn't for dues being collected, we wouldn't be here!! If we kept the rate we are now, we'll be a failed semester! I am really sorry about that to the semester and I hope some of you better. Well, I'll be back!

Public Relations

Hi everyone!

It has been great to be back and to see everyone! I hope everyone has a great semester.

First, I want to ask that everyone please bear with me until I get this newsletter thing down. I have a limited computer access and no access to the computer my predecessor used. (Not all of us can work in a computer lab).

Also, if you have any suggestions or would like to assist me, please tell me! I welcome your input. I want this newsletter to be what you want it to be, not something I come up with after I've had too much caffeine!

If you have any suggestions you would like to put in, please tell me. It may be something like, "I'm having trouble with my car" or "I may have won a prize" or "I have a thought, or some other idea" or "I have your thought" or "I have your way" or "we can do better."

Well, I hope you don't mind me blabbing.
